

CHANGES coming to the **CURB**

**New collection
contract**

Recycling changes

**September 8, 2025
Automated cart
collection**

New Collection Contractor

- Emterra Environmental started as the City's new waste collection contractor started on May 1
- new trucks, new drivers, new collection schedule
- collection days have changed

barrie.ca/CurbsideCollectionChanges

CHANGES
coming to the **CURB**

Recycling Changes

- per provincial regulation **O. Reg. 391/21**, residential recycling is longer collected by the City
- a not-for-profit organization, **Circular Materials**, is now responsible for the program – Emterra is also their contractor
- residents can contact Circular Materials/Emterra for recycling inquiries or visit **CircularMaterials.ca/barrie** for information

Curbside Program Changes

- pet waste now accepted in the green bin (in compostable bags)
- no specific day for yard waste collection – place waste curbside Monday at 7 a.m. to be collected by end of day Friday (every other week – April through November)
- no change in curbside schedule for holidays except Christmas and New Year's Day

Cart Collection – September 2025

- September 2025 – second phase of the changes
- we're changing with the waste industry – safer collection
- two City-issued standard-sized carts –120L for organics and 240L for garbage
- option for garbage cart change
- Circular Materials will make the decision regarding changes to recycling collection

We're here to help

barrie.ca/CurbsideCollectionChanges

Calls for **garbage, organics, yard waste, recycling (businesses)** – directed to Service Barrie.

Calls for **curbside and multi-residential recycling** – directed to Emterra Environmental (contractor for Circular Materials).
